

Dear Jericho Families,

If you have a child who will be entering kindergarten in one of our schools in September 2021, registration this year will look a bit different due to the current circumstances. Formal kindergarten registration was supposed to take place from January 19, 2021 through January 22, 2021. In lieu of our normal registration process, we are asking that you contact the person in charge of registration (see below) at your zoned elementary school between January 2nd, and the end of February, to request a registration packet and to inform us that you will be attending our schools in the fall. A registration packet will be sent to you digitally. You can also find registration materials on our website - www.jerichoschools.org under the *Resources* tab or you can use the link below.

http://jerichoschools.org/departments/human_resources/registration_documents Regardless of how you obtain your packet, please do not forget to send it to the school by February 26th.

Once you have completed the registration packet, please scan it back to the contact person listed below along with a copy of your child's birth certificate or passport, and proof of address or forward the registration forms, along with copies of the birth certificate/passport and proof of address by mail. When your registration materials are received, the person noted below will contact you to set up an individual appointment in March.

At your March appointment, you will have to bring all of the original documents listed below with you:

- child's birth certificate or passport
- proof of address
- child's immunization record
- your driver's license
- a utility bill

Registration Personnel

Cantiague	Laura Staton	lstaton@jerichoschools.org
Jackson	Marianne D'Alto	mdalto@jerichoschools.org
Seaman	Jessica Minch	jminch@jerichoschools.org

We look forward to welcoming your family to the Jericho School District.
