

In December, the President signed into law the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSA Act). The act provides funding to prevent, prepare for and respond to the coronavirus. A portion of the funds were allocated to Governors to assist educational agencies to address the impact that COVID-19 has had on schools and children. The Jericho School District received an allocation of \$565,901.00 for this purpose. Please note below the district plan for utilizing this funding to support our students.

CRRSA Allocation: \$565,901.00

Program	Number of Years	Cost per Year	Total
Summer School: HS/MS	2 (2021 and 2022)	\$195,000.	\$390,000.
Book Clubs: Grades K-8	2 (2021 and 2022)	11,000.	22,000.
After-School Program: MS/HS	1 (2021)	135,000.	135,000.
Supplies	2 (2021 and 2022)	Year1: 6,950. Year2: 6,951.	13,901.
Transportation (Summer)	1 (2021)	5,000.	5,000.
Total:			\$565,901.

In March, the President signed into law the American Rescue Plan Act of 2021 (ARPA). This act makes available a third round of elementary and secondary emergency relief. This funding was provided to address learning loss by planning summer learning, enrichment and/or after-school programs. Plans should respond to students' academic, social and emotional needs. The Jericho School District received an allocation of \$1,270,934.00. Please note below the district plan for utilizing this funding to support our students.

ARPA Allocation: \$1,270,934.00

Program	Number of Years	Cost per Year	Total
Summer School: HS/MS	1 (2023)	\$200,000.	\$200,000.
Grade 6 Summer Program	3 (2021, 2022, 2023)	\$2,500.	7,500.
After-School Program: K-5	3 (2021, 2022, 2023)	Year1: \$152,000. Year2: 153,000. Year3: 155,000.	460,000.
After-School Program: MS/HS	2 (2022, 2023)	\$137,500.	275,000.
Book Clubs: K-8	1 (2023)	12,500.	12,500.
Transportation (Summer)	2 (2022, 2023)	5,000.	10,000.
Supplies	1 (2023)	8,000.	8,000.
Technology	3 (2021, 2022, 2023)	Year1: \$99,311. Year 2: 99,311. Year 3: 99,312.	297,934.
Total:			\$1,270,934.

All summer programs will facilitate students' abilities to meet academic as well as social/emotional goals. The summer programs will be designed to include integrated learning across all subject areas,

with opportunities to engage in Responsive Classroom (elementary) or Restorative Practices (MS/HS) activities. To increase participation in the program, transportation will be provided for students who are attending the summer programs.

The after-school programs will provide follow-up to the summer school studies; support services for students who might require some additional conceptual and/or skill development in preparation for unit study in ELA, mathematics, science and social studies; and development of executive functioning skills which could include active listening, comprehension, note taking, stress management, time management, test taking skills, and study guides.

Book Clubs will provide enrichment for all students in grades kindergarten through grade eight. Teachers will meet weekly with students to discuss assigned books/chapters and provide activities to enhance students' comprehension.

Technology purchases will enable the district to provide one-to-one implementation for all students, and replace Chromebooks and/or I-Pads as necessary.
